

## Quality health care at low or no cost.

Beginning Nov. 1, 2024, Primary Care+ clinics in Puget Sound will be available to eligible nonunion employees, employees represented by unions that align with nonunion benefits, early retirees and their covered dependents. (See the [FAQs](#) for eligibility details.)

- ✓ Low or no cost clinic visits or virtual appointments
- ✓ Spend more time with a provider, less time in the waiting room
- ✓ Physical therapy, chiropractic care, mental health included
- ✓ Get referrals to care with top specialists

### There are other pluses too:

- + You keep your current health plan
- + Primary Care+ clinics are an addition to your current health care network
