

At Primary Care+ clinics, care is provided at low or no cost. If you participate in the Advantage+ Health Plan, you must meet your annual deductible before receiving free care. (Federal law requires this for high-deductible plans.) Currently, virtual care is free regardless of the Boeing-sponsored health care plan option you elected.

Service	Traditional Medical Plan and Select Network Plan Options	Advantage+ Health Plan Options*
Preventive Care	\$0	\$0
Primary Care Visit (e.g., sick care or injury)	\$0	\$60; \$0 after deductible
Mental Health	\$0	\$25; \$0 after deductible
Health Coaching	\$0	\$0
Physical Therapy	\$0	\$30; \$0 after deductible
Chiropractic Care	\$0	\$30; \$0 after deductible
Routine Labs (e.g., in-clinic labs and blood draws)	\$0	\$0
Care Navigation (support locating quality specialists not available through the clinic)	\$0	\$0

Fee schedule applies to plans administered by Blue Cross and Blue Shield of Illinois (including Embright Preferred Partnership Plan options).

* For Advantage+ Health Plan participants, regardless of whether you have satisfied your annual deductible, virtual care is no cost for the remainder of the 2024 plan year because of a special exception under federal law that is scheduled to end Dec. 31, 2024.
