

At Primary Care+ clinics, medical care is provided at low or no cost. If you participate in the Advantage+ Health Plan, you must meet any applicable annual deductible(s) before receiving non-preventative care at no cost. (Federal law requires this for high-deductible plans.) For dental services, dental insurance applies.

Service	BCBS Traditional Medical Plan PPO and Aetna HMO Plan Options	BCBS Advantage+ Health Plan Option (HDHP)
Preventive Care	\$0	\$0
Primary Care Visit (e.g., sick care or injury)	\$0	\$30; \$0 after deductible is met
Mental Health	\$0	\$30; \$0 after deductible is met
Health Coaching	\$0	\$0
Physical Therapy	\$0	\$30; \$0 after deductible is met
Chiropractic Care	\$0	\$30; \$0 after deductible is met
Routine Labs (e.g., in-clinic labs and blood draws)	\$0	\$0
Virtual Care	\$0	\$0
Care Navigation (support locating quality specialists not available through the clinic)	\$0	\$0

For dental care, your dental insurance benefits apply for you and your covered dependents (ages 3+). If you are enrolled in a Boeing-sponsored dental plan, Onsite Dental is an in-network provider.

This fee schedule applies to appointments at the Crossover at the Port clinic for eligible members enrolled in a Boeing-sponsored medical plan option. Standard plan benefit member cost share will apply for services and appointments outside the Crossover at the Port clinic.
